TRAIN COMES OFF SECOND BEST COUNCIL FOR £34 DAMAGE BY RAILWAYS

The Railways Commercial Branch have submitted to the Shire Council a claim for £34/2/6 being the cost of repairing the railway carriage damaged by a Shire of Altona truck on November 19, 1962.

The Shire Engineer, Mr. R. C. Simmons, reported that the truck in question was the front end loader, which, after being used for beach cleaning, proceeded along Pier Street, but on reaching the railway crossing was unable to pull up clear of the line and hit the train.

Apparently there was water in the brakes of the loader. Mr. Simmons was surprised at the cost of repairs to the carriage as the bucket of the front end loader only scraped the roof of the train and there seemed to be only a splinter of wood broken off the carriage.

The price amazed Cr. Lee, who didn't think that amount of damage could be done to a carriage of the Altona train. Cr. Lee ironically asked, "Would it cost £34 to replace the carriage with one of a similar type?" The matter has been referred to council's insurance company.

CONFERENCE ON FORESHORE IMPROVEMENTS

Members of the Shire Council have agreed to a conference with the Shire of Frankston concerning the suggestion that the responsibilities of the Board of Works be extended to include foreshore improvements generally.

The Shire of Frankston is seeking the support of all bay-side council's and asked Altona Shire Council if they would approach local Members of Parliament regarding this suggestion, or if a conference is prepared.

As Altona Councillors want to know exactly what is meant by "improvements generally," they decided on a conference with Frankston.

FLY THE FLAG

Cr. A. W. Bond, Shire President, requests all citizens and organizations to fly the flag each day from sunset to sunrise during the time that the Royal Visitors are in Victoria. "Let us all join in this quiet display of loyalty to our beloved monarch, Queen Elizabeth and her husband Prince Phillip," he said.

FINED ON THREE CHARGES

Anthony Colin Cole, of Sussex Street, Seaholme was fined £5 for leaving his car standing in Pier Street, Altona, within 30 feet of Blyth Street, £5 for it making an undue noise, and £1 for having no front number plate affixed. Cole appeared in Court and pleaded not guilty to the first charge and guilty to the other two.

Senior Constable Emerson said he was walking along Pier Street when he saw a white car stop at the corner of Blyth Street. It took him five minutes to reach the corner and when he got there he saw the car had stopped and was making a noise.

The car's width out from the kerb and some youths were standing outside and talking to the driver. There was no front number plate affixed to it, and when the car started it caused an undue noise.

Train Driver Assaulted

Two youths entered the driver's cabin of the Altona train and assaulted the driver at midnight last Saturday night.

The driver, Mr. A. D. Pardon, was not injured in the assault.

The youths, approximately 18 years old, entered the train while it was standing at the Altona Railway Station.

They ran away before the Wireless Patrol arrived.

Red Back Spiders at Altona High School

During building operations at the Altona High School workers discovered that the school buildings were infested underneath with red back spiders.

The Public Works Department hired a firm of pest exterminators who thoroughly sprayed the school last Saturday.

During the school assembly, the headmaster, Mr. Storey, warned the students of the

danger in handling any timber laying around the school, and to watch for any spiders which the spray may have missed.

oOo

ACCIDENT STATISTICS

The analysis of accident statistics by the Police Department showed 11 accidents in the Shire of Altona for December, 1962. Five of the accidents were in Kororoit Creek Road, three in Millers Road, and three in isolated places. Four were between 6.30 p.m. and 8 p.m., the others were at various times.

oOo

PETROL STATIONS—ONE APPROVED, ONE NOT

Council have approved in principle to the application for the erection of a petrol-filling station on the corner of Blackshaws Road and Millers Road—north-east corner.

The Melbourne and Metropolitan Board of Works requested council's comment on an application to establish a petrol-filling station in Blackshaws Road, south side, west of Hansen Street—council are definitely not in favour of this one.

oOo

SPEEDING FINES

At Williamstown Court yesterday Hendrik Kip, of Upton Street, Altona, was fined £5 for exceeding 30 m.p.h. in Millers Road, and £5 for failing to slow to not more than 15 m.p.h. at the flashing amber light at Kororoit Creek Road.

Costable B. Erskine said that on November 24, 1962, he was in a Police Car in Millers Road, Altona North. He took up a position behind a car and checked its speed, when a car took up position behind him and kept at a steady speed of 45-50 m.p.m. At Kororoit Creek Road it went through the lights at 45 m.p.h.

oOo

NEW NIGHT PATROL SERVICE

A new night patrol service, based in Altona, has commenced, operating entirely in the local area.

Promotion at Union Carbide

● Mr. Peter Perry, senior executive, Union Carbide Australia Ltd.'s polyethylene plant at Altona.

Mr. Peter Perry, works manager of Union Carbide Australia Ltd.'s polyethylene plant at Altona, and a B.Sc., B.Eng., Sydney University, has now become the company's senior executive at the plant.

This follows the departure of Mr. B. B. Cowser, an American engineer on loan from Union Carbide International Company to the Australian company, as manager, Plant Operations, Altona. Mr. Cowser has been appointed to a new position with Union Carbide International Company in Sweden.

oOo

Library Plans

When the council moves to the new Municipal Offices in Civic Parade it is planning to use the present offices at 128 Queen Street for library purposes.

Tentative plans are for the present Rates Office and the Council Chamber to be used for library shelves (for adults and children) and reading rooms.

Other offices will be utilised for the librarian's office, reception and registration office, storeroom, workroom, packing and dispatch centres.

It is envisaged that in the future the health and building annex could be used for a theatre.

SAFETY RECORD

12 MONTHS WITHOUT LOSS TIME ACCIDENT
AIDS ELDERLY CITIZENS

● Mr. P. West of Union Carbide "C" shift representative presenting a cheque to Mr. Cant, president of the Altona Elderly Citizens' Club. Members of "C" shift in the photo are (left to right): G. Sproat, F. Ferrard, R. Cochran, J. Marshall, P. Fiorentino, J. Hart, G. Corcoran, J. Cassidy with their foreman J. van den Nouweland.

Mr. R. J. Read, production manager, explained that this particular presentation was the result of 12 months without a lost time accident and the best safety performance by any department at the Altona plant within its first year of operation. "C" shift, as the first winners of the award, were each presented with an individual token bearing the green cross of safety and the words "For Safety at Work" and a cheque for £25 to be donated to any local organisation or charity they would like to choose.

After consideration "C" shift unanimously decided that Altona Elderly Citizens' should be the local organisation selected.

Mr. W. H. Pettit, chairman of the "C" shift Safety Committee, said how very proud he was of the achievement, they had the honour of winning the first award but it certainly would not be the last as they were still well in front with 5,600 manhours without an accident.

Mr. Cant, president of the Altona Elderly Citizens', received the cheque on behalf of the club and said that the money would be put towards plans to extend the existing building and provide more facilities for the male members of the club, such as a billiards room and TV lounge.

Mr. Cant said that the Altona Elderly Citizens' were honoured to be the first re-

cipients of the Safety Award and in congratulating "C" shift on their fine achievement, extended an invitation to Union Carbide personnel to visit the club at any time, where they would be assured of a warm welcome.

ALTONA METHODIST FLOWER SHOW

Once again the Altona Methodist Flower Show and Fair will be conducted in the Youth Hall, Seves Street, Altona. The Show will commence on Saturday, March 3, at 3 p.m. and will remain open until 8.30 p.m. There will be stalls selling produce and pot plants, cakes and sweets. Afternoon tea will be available.

Entries for the Show close on Thursday, February 28, at 5 p.m. Entries may be left with the secretary, Mrs. E. Bertram, 29 Upton Street, Altona, or Mrs. C. Scherman, 13 Seaview Crescent, Seaholme, phone 65-8635.

All exhibits must be staged before 11.30 a.m. on the morning of the show.

HIGH SCHOOL MEETING

The annual meeting of the Altona High School Parents' and Citizens' Association will be held at the school on Friday, March 1, at 8 p.m. All parents are welcome and will have the opportunity of meeting the new headmaster, Mr. Storey. Supper will be provided.

EDITORIAL

The New Altona Star

Another stage of the growth of the "Altona Star" commences with this issue. The change to a six column paper with more varied type has long been considered. It is now an actual fact.

The alterations were made necessary by our desire to bring our newspaper more into line with modern practice and to cater for the more and more diversified classes of magazine and jobbing work processed by this firm.

More columns to the page and a different layout obviously improves the appearance of the paper. The general effect of making the paper more readable and attractive will, we think, be appreciated.

The varying types of jobbing work may not be on a needle to an anchor scale, but they certainly cover a great range. Items printed vary from simple admission tickets to a 50 page trade magazine—from delivery dockets to a multi-colour illustration.

Though the costs of new machinery and equipment are not inconsiderable we do not think that we are making a step in the dark. The nature of the support given us in the past enable us to face the future with confidence.

We apologize for any imperfections which may appear in this issue. They would have been due to difficulties in change over from old to new machines.

At this time—the commencement of a new era for the paper—we restate our aims as publishers and editor:—

We believe—
Our first duty is to publish news.

Altona is now a good place to live in and we can make it better.

We will—
Do all we can to support any individual, who, and movement or organization which, has for its aims a better life in Altona.

Oppose any action detrimental to the progress of Altona.

Give thanks when due.

Offer constructive criticism when necessary.

Finally, we offer thanks to our readers for their support as evidenced by our circulation and laudatory comments from time to time, to our advertisers and customers, to our reporters and correspondents for their regularity and punctuality, and to our staff for their assistance, often beyond the line of duty.

The "New Altona Star" is now before you. We believe you will be satisfied that the publisher has done all he can to produce a readable and informative newspaper which will merit your support and be a worthy chronicle of the activities of the people of Altona.

MINISTERS FRATERNAL FORMED

Last Thursday afternoon an Altona Minister's Fraternal was re-formed, after a lapse of nearly four years, at a meeting at the Baptist Manse.

It was decided to hold the meetings each month, at least for the time being, to discuss matters of common interest and concern, and to allow some devotional exchange. The matter of most immediate concern was the organisation of Religious Instruction in schools.

Those present were Rev. R. J. Reynolds (Baptist), Rev. W. Moriarty (Church of England), Deaconess L. Davey (Methodist), Mr. J. Baillie (Presbyterian), and Lieutenant B. Lynn, and Cadet Walton. (Salvation Army).

It was decided to invite clergy from Altona North to future meetings.

Office-bearers elected for the time being were: Chairman, Rev. R. J. Reynolds; Secretary, Rev. W. Moriarty.

Letters TO THE EDITOR

Dear Sir,

Through the columns of your paper, in answer to Mr. Redwood's fabricated statements, I would state that if the gentleman in question would get his facts straight then he would portray the picture more clearly.

One point the writer does make, however, is regarding councillors with inside knowledge, which I feel I must answer. That may be the way your mind works Mr. Redwood, but I can answer you my friend that if any councillor had ideas like yours of trying to do something unconventional then I'm afraid he would have another eight very capable councillors to contend with.

Another thing my learned friend, the restriction on hoardings, which you refer to, is contained in the Ordinance

to the Shire of Altona Planning Scheme 1958, which was approved by the Governor in Council on March 25, 1958—2½ years before I was elected to the council.

To finish off, Mr. Redwood, please get your facts straight and inform your mind as to where larger hoardings may be erected.

Cr. S. G. MCINTOSH.

Dear Sir,

I wish to advise the public through your paper that we are not responsible for the extensions to the Life Saving Club. I advise this because there appears to be the impression that as we built the Life Saving Club we are also building the extensions—this is not so.

H. WEAVER.

LIFE SAVERS' COACH SERIOUSLY INJURED

Club coach, Ken Smith, was admitted to hospital last Wednesday afternoon in a serious condition after a car accident in Glenroy. Latest reports say that Ken is now on the improve, but it will be quite a while before he will be back in action with the club.

Following the history of the club printed in this paper a fortnight ago one person from Altona North has come forward and offered his help to the club, and would like to see any old member come along and help the club prosper a little further.

A number of senior members will be helping Legacy this Sunday when motor launches will be taking approximately 600 junior Legacy children of ex-Servicemen for a day's outing around the bay.

It is with pleasure that the club announces that 204 children have gained "Learn to Swim" certificates since the start of the Altona Swimming Club.

PICTURE NIGHT

Twenty-four members attended a "Picture Night", last Tuesday to see "Mutiny on the Bounty" and from all reports, enjoyed the show very much.

The social committee will be holding a "Mystery Bus Trip" on April 7, and would like to see as many members, friends and parents as possible attend. Further information can be obtained from any club member, or by contacting the social secretary at the hall any Thursday night from 7.30 to 8.30 p.m.

DROP IN FIRST-AID CASES

Two hundred and thirty-seven first-aid cases have been treated by this club since the start of the season, which is a drop on last season.

Please note that the special effort will be starting within the next fortnight and any person wishing to enter should contact any member of the club.

ALTONA A.N.A. MISS OUTRIGHT WIN

Last Saturday both the A Turf and the Under 16 teams narrowly missed out on obtaining outright wins. Following on, Spotswood Imps. needed 152 runs to avoid an innings defeat and were eight wickets for 124 runs at stumps, thus Altona A.N.A. won on the first innings.

A TURF

Resuming at three wickets for 15 runs, Spotswood were dismissed for 62 in their first innings, due to good bowling by Terry Gray, who took six wickets for 22 runs off 12 overs.

Bertie Johns made 18 in this innings. Asked to follow on, Spotswood held Altona up with an opening partnership of 64 and at stumps were eight for 124, with Robert Purvis making 36, and Noel Boothey 30. To n Myers, Terry Gray, and Andrew Skelley each took two wickets.

ALTONA A.N.A.—1st Innings. 213 (G. Mildern 79, I Eldridge 58).

SPOTSWOOD IMPS.—1st Inn. 62 (B. Johns 18, T. Gray 6/22).

SPOTSWOOD IMPS.—2nd Innings. Eight for 124 (R. Purvis 36, N. Boothey 30).

BOWLING: T. Myers 2/8, T. Gray 2/19, A. Skelley 2/61, A. Baillie 1/10, G. Mildern 0/4, F. Jumpertz 0/7, J. Joyce 0/10.

B TURF

Altona, resuming at five wickets for 47 runs, reached 67 and forced Newport Powerhouse to bat again for the required 10 runs for an outright victory.

In Altona's innings Rod Gray made 24 and Bill Houghton took 4/23 to give him 10/43 for the match. Powerhouse made the 10 runs without loss.

ALTONA A.N.A.—1st Innings. All out for 37 runs.

ALTONA A.N.A.—2nd Innings. Resuming at 5/47 (Thompson 1 n.o., Gurrie 0 n.o.).

A. Thompson c, b Houghton	9
P. Gurrie c, b Houghton	10
P. Chandler c, b Houghton	1
R. Staples, not out	1
K. Martin c, b Houghton	0

TOTAL 67
BOWLING: W. Houghton 4/23, R. Gray 2/10, G. Preston 2/10, M. Johnson 1/21.

NEWPORT POWERHOUSE—1st Innings. 5 (dec.) for 95.

NEWPORT POWERHOUSE—2nd Innings. No wicket for 13.

BOWLING: K. Martin 0/0, W. Martin 0/0, A. Thompson 0/0, J. McCudden 0/4, B. Antonoff 0/9.

UNDER 16

Resuming at 1/7, Newport A.N.A. were dismissed for 90. Jim McCudden took 5/29. Bill Collins made 36 for Newport.

Newport A.N.A. in its second innings were 8/91 at stumps, with Henry Kobylinski making 56, and John Duggan taking 4/17. The side did not make the finals, so this was the last game of the season.

ALTONA A.N.A.—1st Innings. Eight (dec.) for 177, (J. McCudden 86 n.o., P. Chandler 39).

NEWPORT A.N.A.—1st Innings. 90. (W. Collins 36).

BOWLING: J. McCudden 5/29, A. Skelley 2/20, J. Merritt 1/2, P. Chandler 1/7, M. Calaz 0/0, J. Duncan 0/5.

NEWPORT A.N.A.—2nd Innings. Eight for 91 (H. Kobylinski 56).

BOWLING: J. Duncan 5/17, A. Skelley 3/26, J. McCudden 1/43.

Jim McCudden won the club batting average with seven innings at an average of 52.5 runs. Ray Jensen won the bowling aver-

age with 17 wickets at an average with 3.06 runs per wicket.

SATURDAY'S MATCHES

A Turf will meet Newport Footballers at Grant Reserve at 1.30 p.m., and B Turf are to play Newport Baseballers at Loft Reserve, West Newport at 1.30 p.m. Both are two day games.

oOo

KOORINGAL GOLF

Saturday's Stableford results are as follows—

A Grade: R. Caithness, 34 points (1).

B Grade: J. Refshauge, 38 points (16), on a countback from P. McDonald.

C Grade: G. Newman, 38 points (18).

Sunday's Bogey competition resulted in a win for N. Leckie square (23) from F. Cahill (8), F. Norton (15) and P. McDewitt (14), all of whom finished with 1 down.

oOo

ALTONA FOOTBALL CLUB NEWS

The annual general meeting of the Altona Football Club will be held on Wednesday, February 27, 1963, in the club rooms at 8 p.m.

Business to be discussed will be the accounts of the year, to appoint new office-bearers, and other business as thought fit by the committee.

All members and interested persons are invited to attend.

oOo

YACHTING NEWS

Weather conditions were extremely good for sailing last weekend and most of the club's boats were on the water, including seven Hornets.

In the Miscellaneous Class Tiki (Kathy Bradley) sailed an excellent race, defeating Telstar (Ray and Kevin Marion).

It would appear that these two boats will fight out some interesting duels before the season is over.

The Hornet Section was a stern chaser, that is, each boat started on its handicap instead of correcting times at the end of the race.

First off on 10 minutes was Cutty Sark (Alex and Keith Robertson). On seven minutes was Moonraker (Alan Owen and John Butterworth), and Rock 'n' Roll (Peter and Helen Jol). Althea (Keith Wallwork and Wayne Martin) started on four minutes. Genesta started on two minutes, Jet on one minute, and Althea on scratch.

Throughout the race the positions were continuously changing with the leaders in a tight group.

First place went to Genesta (Sandra Korf and John Andrews); 2nd Jet (Tom Jones and Peter Brennan); 3rd Althea (John Bartlett and T. Pearl). Fastest time went to Athene.

For the past three weeks the club members with boats have been taking out non-sailing members and also any one who wishes to try their hand at sailing prior to joining the club.

The February general meeting will be held in the club-rooms at 8 p.m. this Friday, February 22.

BOWLING CLUB NOTES

Altona had a mixed bag of luck in the pennant this week as they had two wins and one loss.

The results are as follows— No. 1 Team 116, defeated Carlton 69.

Roach, Flynn, I. Douglas, and Monkhouse: 25-22.

Russell, McMahan, Stephens, and Cunningham: 36-15.

R. Don, Whyte, Deegan, and Malloy: 30-16.

Walsh, Probert, McNeillage, and Fisher: 25-20.

No. 2 Team 46, were defeated by Middle Park 90.

Sipthorpe, Eyre, Burke, and McDonald: 23-30.

Murphy, Emery, L. Cox, and Watson: 46-25.

Dowdell, McMin, Mitchell, and Bush: 10-35.

No. 3 Team 124, defeated Buckley Park 41.

Clarke, F. Douglas, W. Grant, A. Hill: 29-18.

J. Cox, Shaw, Neal, and Smith: 55-8.

Snowden, Johnson, Wearne, and Ingils: 40-15.

The next games are one at home and two away. No. 1 at Altona, and No. 2 and No. 3 at Altona will meet Clifton Park Teams meet Footscray Park

at Footscray Park.

On Sunday last own selection or Fixed Mixed Rinks was played and some 56 members and associates took part in the games which were played on the new green.

Three games of eight ends resulted in an outright win by Mrs. Marlow, T. Blair, Mrs. Jacometti, and W. Grant.

The runners-up trophy was played off by eight other two game winners and resulted in Mrs. Sipthorpe, Mrs. Russell, D. Sipthorpe, and G. Russell being the winners.

Club trophies were presented to the winners and runners-up.

oOo

YOUTH CLUB NEWS

The basketball instructor Mr. A. Annsons, attended the meeting of the Western Suburbs Basketball League on Monday night, at Yarraville, and it was decided to start this season's competitions from March 15.

The competitions are divided into three age groups, under 14 years, under 16 years, and under 20 years.

Registrations close on March 4 and all potential players are requested to attend a meeting at the Youth Centre at 8 p.m. on Tuesday next, February 26. The joining fee is 2/-.

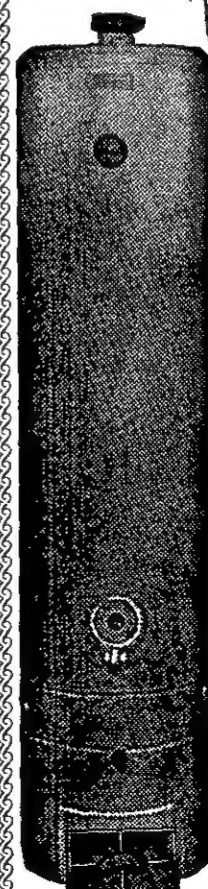

Mr. Bill Hodgson has been engaged as a professional instructor and will give valuable assistance in training young leaders.

Mr. Hodgson was a senior leader with the National Fitness Council during the three weeks they conducted the plan centre at Altona recently. He also assisted at the Youth Club when it was formed several years ago.

DAILY DELIVERY SERVICE

ALTONA PRIMARY SCHOOL

Many new faces arrived at the Altona Primary School on February 5, in the form of 92 new enrolments and nine new members of the staff.

Experimental work involving individual differences in pupils has commenced and is to be a feature of the school year. The excellent response made by parents to the levy scheme has enabled the school to spend some hundreds of pounds on books and stationery for the use of pupils.

SCHOOL COMMITTEE

Due to pressure of commitments, Mr. R. Sandilands has resigned as secretary. A motion in appreciation of Mr. Sandilands' tireless efforts was placed in the minute book. Mr. Norman Scott was elected to the position.

MOTHERS' CLUB

The election of office-

bearers resulted in Mrs. Cronin being elected president; Mrs. Danger secretary, and Mrs. Walker treasurer.

SCHOOL "AIDES"

The response to the call for school "aides" has been most gratifying. To date, 14 mothers have offered their services for various duties—typing, duplicating, library assistance &c. Seventeen fathers have volunteered to mow the school lawns.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

Seaholme Pre-School Report

We had a very unsettled year but in spite of backs, our fund raising activities have been successful. All excess running costs have been paid, replacements made and new equipment purchased. A sizeable sum has been amassed for use by the new Seaholme Centre.

Our headteacher, Mrs. Morris conceived the Pre-School and with a Mothers' Committee, public funds and her own ability has seen it grow to maturity. Thanks are extended to her for giving Seaholme a Pre-School, filling the need until a State aided centre could be built. Mrs. Pennington, our founder assistant teacher had to leave us last year, but we have not forgotten the effort and time put in by her, especially the first year of the school's life. Mrs. Thomas succeeded Mrs. Pennington and proved very popular with the children.

The present committee worked very hard improving conditions, planning and co-opting every mother's service possible, for roster duty and help in all money raising ventures. The average response was very high and the mothers can be justly proud of themselves.

There are, of course, others to thank, Mr. Waters for his guiding hand, the Altona Apex Club, and all who gave us a helping hand. We extend grateful thanks to all these people and look forward to having their continued support in the new Seaholme Centre.

METHODIST FLOWER SHOW

There will be nine classes in the Methodist Flower Show (see page 1).

Class A—Cut Flowers; B—Floral Art; C—Pot Plants; D—Vegetables; E—Cooking; F—Produce; G—Photography; H—Ladies' Aprons; I—Junior Section; plus Special Prizes.

Trophies are on show at Lillibet Baby Wear, and have attracted a great deal of attention. The number and variety of the trophies clearly show the growing interest in this annual event.

The show will be opened by the Hon. R. Garrett, M.L.C., at 3 p.m. It is hoped the Shire President will present the trophies at 7.30 p.m.

A sad note will be the absence of Mrs. R. J. Collins, who with her husband, had judged the Floral and Vegetable sections of the show since it began nine years ago. Her recent death has broken a very happy association with many Altona people.

Mr. Collins will again judge these sections, assisted by a colleague.

The Home Service Supervisor for the State Electricity Commission, Miss Mary Dunn is to judge the Cookery section.

The committee hopes a large number of entries will be forthcoming to ensure the success of this show.

WEST NEWPORT MARCHING GIRLS

The West Newport Flamingoes showed opposing teams in the Midget Grade a clean pair of heels at the Ballarat Zone Championships last Sunday when they won the Championship by 216 points, the Aggregate by 241 points, the Display by 22 points, and the Best Leader by 26 points.

This was an exceptional performance by the Leader, who fell from the top to the bottom of the grandstand and twisted her ankle two hours before the contest.

The Rosettes, in the Junior Grade, repeated the perfor-

OPERATING THEATRES WORK AROUND THE CLOCK

In an industrial area such as Footscray, factories which work three shifts a day are not uncommon. Many local residents are quite accustomed to working night shift in a factory, but how many of them, whilst watching their machines realize that at the same time surgeons are working to save a life?

This has been the case at Footscray and district Hospital, where with only two operating theatres and an increasing demand for operations, the doctors have no alternative but to work through the night.

Almost all types of surgery is performed at Footscray and District with the exception of lung and heart operations which are only done in emergency cases.

Many of the routine tonsils and appendicities are done as well as prostrate glands.

Road accident cases call for the repair of splintered and shattered bones and a considerable amount of plastic surgery is needed to repair accident damage. So skilled is this plastic surgery, it is often quite impossible to tell that a patient has been involved in an accident.

Industrial accidents quite often involve cut nerves and tendons in hands which involve delicate stitching to repair them, and deformities which afflict new born babies, such as harelips and cleft palates respond wonderfully well to surgery.

Amazing developments in surgery which have taken place in recent years are practiced at Footscray; including such remarkable operations as arterial grafts and ear surgery.

Prior to the development of arterial grafts a patient suffering from a damaged or blocked artery was faced with the amputation of a limb or even death, but now the bad section of the artery can be removed and a piece of synthetic artery made of dacron is grafted in its place.

The Hospital's recent acquisition of an operation microscope has enabled surgeons to perform the most delicate of operations inside the ear. This microscope enables the surgeon to see tiny organs which would not be visible to the naked eye. Many a patient hearing has been restored by the use of this instrument.

If you object to having to work on the night shift think of the surgeons at Footscray and District Hospital, the next life they save may be yours.

NOTICE TO CORRESPONDENTS AND ADVERTISERS

To ensure publication you are requested to have all copy at this office by 5 p.m. TUESDAYS.

mance, winning all sections with comparative ease.

In the Senior Section, the Coralettes gave a much-improved performance to finish sixth in the Championship and sixth in the Aggregate.

All teams will be marching at Moorabbin this Sunday.

Driver Fined £20 for 3 Traffic Offences

Laszlo Dorregoi, labourer, of Ararat Street, West Newport, was fined £5 for fraudulently using a licence, £5 for driving without a licence, with £7 14s 8d. costs, and £10 for failing to yield right of way at an intersection. Mr. P. J. O'Connor, S.M., directed that Dorregoi be disqualified from obtaining a licence for twelve months.

Kenneth Ian Teasdale, driver, of Lara Lake, said that at 10.45 p.m. on September 7 he was driving west along the Princes Highway, just east of Laverton at 50 m.p.h. Near Kororoit Creek Road he noticed the lights of a car coming on his left. They were both about 50 yards from the intersection at the time. The car kept coming, he applied his brakes and veered to the right, but they collided. He could not understand the other driver but was given a licence from which he wrote down the name of Stephen Montgomery Kevin Ernest Frisch, of Lara, said he was a passenger in the rear seat of Teasdale's car. He saw the lights of the other car when they were both about 20 yds. from the intersection.

First Constable D. Watts said he attended the accident and saw the defendant's car in the centre of the intersection with the off-side rear door damaged, the other car was damaged in the front. He interviewed defendant at the hospital. Defendant told him his name was Steve Montgomery, of Adeline Street, Williamstown, but the licence showed an address in Essendon. He said he had been using the licence for 4½ years but by the number was able to tell it had been issued much earlier than that. He then asked the defendant for his correct name and was told it and that he had no licence. He said he paid his friend

£10 for the licence, as he did not speak good English. He said he saw the other car coming and saw flashing lights to make a right turn and thought it was going the same way as him so he carried on, but they collided. The other car was doing about 70 m.p.h. and he was doing only 40 m.p.h. There are no blinkers attached to the other car, a Volkswagen only had indicators.

The defendant told the Court, through an interpreter, that he was afraid of the two boys in the other car as he had read about these things and just showed them a licence in the glove box of his car. He denied buying it from a friend, but said he was paying him for lessons to learn to drive.

The Board of Works' Sewerage Problems

From Broadmeadows in the north to Black Rock in the south, from Ringwood in the east to Sunshine in the west, hundreds of men and machines are catching up the leeway caused by a world war and a post-war period of unprecedented growth. The magnitude and extent of current sewerage activities can perhaps best be gauged by considering the Board's annual expenditure on sewerage works. This year, for instance, the outlay will be in the vicinity of £7,500,000.

But to understand the problems confronting the Board with respect to sewerage, it must first be realised that Melbourne is rapidly outgrowing its original sewerage system. It is obvious that a system designed for 1,000,000 people must be hard pressed to cope with the 1,500,000 people using the system today.

For this reason, the Board is at present faced with two major sewerage problems:—

1. To enlarge, replace or duplicate those parts of the original sewerage system which were becoming inadequate.
2. To extend the system into rapidly developing outer suburbs. The speed with which this can be accomplished is, of course, dependent on the rapidity in which problem No. 1 can be solved.

The Board tackled the first problem by commencing in 1955 a vast scheme of amplification of the existing system. The amplification scheme is being carried out in stages. The first stage entails:—

- (a) The construction of a deep gravity sewer between Spotswood and Brooklyn, with the necessary connections to the original main sewers converging on Spotswood Pumping station.
- (b) The construction of a new pumping station at Brooklyn to replace the existing one at Spotswood.
- (c) Enlarging the main outfall sewer between Brooklyn and Werribee.
- (d) Providing additional purification capacity at the Metropolitan Farm at Werribee.
- (e) The duplication of several main sewers in the original sewerage system.

Items (a), (b), and (c)—collectively known as the Brooklyn Project—comprise the vitally urgent parts of the amplification scheme and are rapidly nearing completion.

The Brooklyn Project—a £6,250,000 job—is the largest single sewerage project undertaken by the Board since the inception of the original system, and, as the continued efficient functioning of the sewerage system depends to a large extent on its early successful completion, it will be

of interest to know what progress has been made to date.

To do this we will start at the Spotswood end of the project and proceed downstream. Current work in hand at Spotswood Pumping Station is the construction of two large underground conduits for diverting the flow in the Hobson's Bay Main and the North Yarra Main into the new gravity trunk sewer. Progress on this part of the project has reached the stage where the huge penstocks (or valves) are being installed.

The gravity trunk sewer, a 9' 3" diameter conduit extending for 2½ miles between Spotswood and Brooklyn, is complete except for one section near the Brooklyn Pumping Station.

At Brooklyn Pumping Station, the underground construction of the two 180' deep pump wells, the screen wells and penstock well, together with the connecting conduits, is complete and progress on the surface buildings is well advanced. In one of the pump wells, all the pumps, motors, valves and pipes have been installed; in the other only the motors and delivery pipes are yet to be fixed. The huge switchboard has been installed and the travelling cranes are in operation. It is anticipated that the Brooklyn Pumping Station will be completed this year.

The Main Outfall Sewer is being enlarged to match the capacity of the Brooklyn Pumping Station. Some sections of the outfall have been enlarged by battering and cement rendering the side slopes adjacent to the outfall; other sections are being covered with semi-circular concrete slabs. Also, the old brick adeducts over the Kororoit and Skeleton Creeks and the Werribee River have been replaced by new concrete structures erected alongside.

Concurrently with the construction of the Brooklyn Project, the Board has been engaged in duplicating those sections of the main sewers in the metropolitan area which are becoming inadequate because of Melbourne's unprecedented post-war development. For instance, a 39" diameter sewer is being constructed at present along the Darebin Creek in Ivanhoe to relieve the existing 18" diameter Darebin Creek Main Sewer. A £240,000 job, the new sewer will ultimately be extended up the Darebin Creek Valley to serve the rapidly developing northern suburbs.

Post-war development of the outer eastern suburbs necessitated the duplication of the Gardiner's Creek Main Sewer. Two sections of a 50" to 58" diameter relieving sewer costing £252,600, are at present in the final stages of completion.

In the south-east, two sections of the Benthleigh Inter-cepting Sewer are currently under construction at a cost of £375,000. This 42" diameter sewer is being built to cope with the new residential and industrial development in the Benthleigh and Moorabbin districts. The new sewer, incidentally, has been designed for ultimate incorporation in the proposed south-eastern scheme, the Board's next major sewerage project.

The duplication of existing sewers is all part of the amplification scheme and is invariably confined to the older established suburbs. But most of the Board's current sewerage activities are in the outer suburbs where major works to the value of £1,250,000 are in progress. These works come under the category of "normal extensions to the sewerage system."

The Ringwood Outfall Sewer (£376,000) and the first two sections of the Ringwood Main Sewer (£265,000) are two of the most costly projects now in progress in the outer suburbs. The Ringwood Outfall Sewer—an egg-shaped sewer 5' high and 3' 4" wide—runs along Canterbury Road, Vermont, and discharges into the Gardiner's Creek Main Sewer. The sewer necessitated 6,643' of tunnelling, the deepest section being 134' below the surface. The Ringwood Outfall Sewer will take the discharge from a pumping station which is about to be built near the corner of Canterbury Road and Heatherdale Road, Vermont, to serve Ringwood and

adjacent areas. The sewer leading to the pumping station—the Ringwood Main Sewer—runs northwards from the station, through the Maroondah Highway ridge to the vicinity of Mullum Creek. Another major sewer job now in hand is the Kororoit Creek Main Sewer (£276,000).

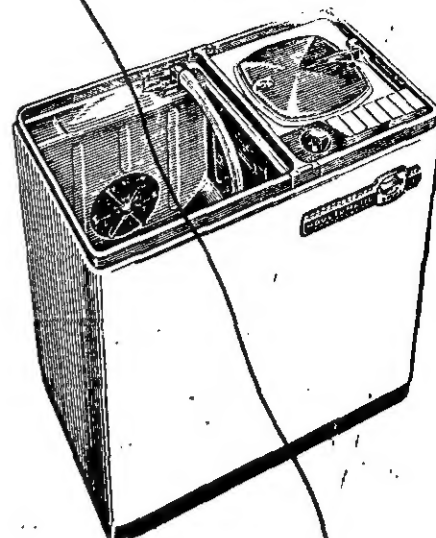

Commencing as an 18" diameter sewer in Sunshine, the sewer proceeds along the western bank of the Kororoit Creek as a 48" diameter pipe which terminates at a pumping station shortly to be built in the proximity of the Main Outfall Sewer where it crosses the Kororoit Creek. The pumping station will discharge directly into the Outfall Sewer. Other sewer extensions currently under construction are—the North Yarra Main Sewer (£24,000), Damper Creek Branch Sewer (£30,000), Waverley Branch Sewer (£46,000), Steel Creek Branch Sewer (£92,000), and the Sunshine East Branch Sewer (£47,000).

Three pumping stations—Mordialloc (£21,000), Moorabbin (£20,000), and Brighton (£34,000)—are also under construction at present.

The sewerage of reticulation areas is one of the Board's perennial tasks. At present, 24 reticulation areas are being sewered—six in the northern suburbs, seven in the eastern suburbs, eight in the southern suburbs, and three in the western suburbs.

Altona District Darts League

At a meeting of 60 dart players, club representatives and League delegates held on Thursday, February 14 in Marion's Hall, Seaholme, it was decided to organise a Darts League for Altona and surrounding districts, including Williamstown, Newport, and Laverton.

Nearly 100 dart players have already registered with the League and every prospect points to a very good season for this new, but long overdue organisation, catering for this popular indoor sport for this district.

The following list of clubs were represented at the meeting and will take part in the League competitions commencing early in March.

B.P.-Goodrich Social Club; Monsanto; Altona Darts; Williamstown Yacht Club; Altona Working Men's Club; Altona R.S.L.; Altona Council Employees; Briston Social Club; Williamstown; Cheet-ham Social Club; and Union Carbide Social Club.

The meeting adopted the constitution after considerable discussion and amendments to same and agreed that the annual general meeting of the League be held in February.

The following office bearers were then elected for 1963, until the annual meeting in February, 1964—

President: W. Spence; Secretary: R. Rose; Vice-Presidents: J. Watson, and H. Ford; Assistant Secretary: W. Draper; Treasurer: T. Rogers.

Each club will also elect two delegates and this will then constitute the League committee.

The committee will meet tonight (Thurs. Feb. 21), and the fixtures of the season will appear in the "Star" next week.

TABLE TENNIS NEWS

BROOKLYN VISITORS
During the week a group of promising young players from the Brooklyn Youth Centre visited the Table Tennis at Garden Street, Williamstown and were entertained by selected personnel from various clubs.

WINTER PENNANT
Entries are now in course of preparation for the forthcoming winter pennant, in which a record entry is expected. There are possibilities that former strong clubs such as Williamstown Swimming and Life Saving Club, Esplanade Tennis Club, Williamstown C.Y.M.S., and Kingsville will reappear in competition, while many new clubs are likely starters. Further information from acting secretary Alby Walker, 35 Queen Street, Williamstown, 65-6836, or at the Centre (Jack Wylie, 65-6863 or 22 Hannan Street, Williamstown).

SUMMER FINALS AND SEMI-FINALS

Only one more round remains before the final series in the summer competition.

In A Grade interest in the premiership was heightened during the week by the unexpected defeat of the leaders Altona by Maidstone. Reigning champion Alby Walker lost narrowly to Robert Rowan, and Rowan in turn lost to junior singles champion Dave Wylie. Altona now have a four point lead over Maidstone and could possibly lose top position.

SCOUTS REQUEST ROAD IMPROVEMENTS

At the last meeting council deferred a decision until the next meeting on the application by the Boy Scouts Association for road improvement works from the ford over Kororoit Creek to "The Pines" camp area.

The Shire Engineer is to report on the matter.

The scouts are hoping to hold a sports camp in the area later this year.

Previously, the Board of Works had requested that no road works be undertaken between the ford and Altona Sports Park as the road is to be lowered.

ALTONA LADIES' BOWLING

Sixth Division: Altona 49, defeated West Brunswick 27.
Seventh Division: Altona 62, defeated Moreland 21.
Eighth Division: Altona 22, were defeated by Rosamond 50.

ALTONA TENNIS CLUB NEWS

Members are notified that entries for the Club Single Championships A and B Grade definitely close on Sunday February 24, 1963.

A SCHOOL LUNCHEON

(Prepared by Mary Blake, Home Economist)

Now that the youngsters are back at school, the problem of providing an appetising and nourishing lunch every day, begins again. Children playing and working hard all day need a well balanced diet. Their lunch should contain some kind of fruit or vegetable, and a genuine appetite satisfier, such as sandwiches or bread rolls, perhaps augmented by the addition of a hard boiled egg or a piece of cheese.

Sandwiches tend to become very monotonous, so try varying the breads as well as the fillings. Amongst the many different varieties available today, are wholemeal, cracked wheat, rye, pumpernickel and raisin.

For an interesting touch try using two different kinds, one slice dark, and the other light bread. Always spread the filling to the edge of the bread to ensure that the crust is eaten.

The following fillings are high in food value, and delicious: Peanut butter and crumbled crisp bacon; tomato and grated cheese, cottage cheese and chopped; seeded raisins; cream cheese and minced chives; unsliced liver sausage and shredded lettuce; sliced meat and tomato.

For further variation your child may like a salad packed in a separate container, or perhaps a jaffle, with egg or banana and cheese in it.

Most children like to finish the meal with something sweet. This should be some form of fruit, but a substitute could be biscuits or cakes chosen for their nutritional value, as well as their taste appeal.

A beverage is also an essential of a school lunch. In the summer fruit juices refrigerated overnight will stay cool in a vacuum flask, while in the winter hot cocoa or soup fortified with evaporated milk is extremely popular and nourishing.

Milk is very important to a growing child, as it contains protein, fat, carbohydrates, vitamins and minerals, in an easily digested form.

Most schools provide free milk to children, as fresh milk is not easy to carry. Any extra milk required is best taken in its evaporated form, as it is convenient to use straight from the can.

WHOLEMEAL TEA CAKE

4 oz. S.R. wholemeal flour
1 teaspoon salt
2 oz. butter or margarine
3 oz. brown sugar
1 egg
Grated rind of 1/2 lemon
3 tablespoons undiluted evaporated milk
1 apple
1 teaspoon cinnamon
1 tablespoon castor sugar

Mix wholemeal flour and salt. Cream butter or margarine and brown sugar, beat in egg, add grated rind. Mix in flour alternately with milk. Place in a 7" greased sandwich tin. Peel and grate apple, place on top of teacake. Sprinkle with cinnamon and sugar. Bake in a moderate oven 25-30 minutes.

PLAIN SCONES

1 lb. S.R. flour
Pinch salt
1 teaspoon sugar
1 tablespoon butter
3 oz. evaporated milk, diluted with 3 oz. water
Sift flour, salt and sugar.

Rub in butter. Mix with a knife into a dough with the milk. Turn on a floured board, pat into a smooth shape and roll out half an inch thick.

Cut out into shape and put on oven slide. Glaze with egg and milk or undiluted evaporated milk. Bake in a hot oven 7-10 minutes (450° F.).

NOTICE OF APPLICATION FOR A PERMIT. TOWN AND COUNTRY PLANNING ACT 1958 AS AMENDED. MELBOURNE AND METROPOLITAN PLANNING

NOTICE is hereby given that under the provisions of the Interim Development Order made after the commencement of the above planning scheme an application N30723 has been made by P. & R. Loren and by Swanbourne Pty. Ltd. to the Melbourne and Metropolitan Board of Works as responsible authority for a permit for the erection of a hotel and associated car parks in respect of the land described hereunder, situated in the Altona Municipal District, with a total area of approximately 25,500 square feet and being part of Crown Land Allotment A, Section 8, Parish of Truganina:

- Lot 20 on Plan of Subdivision 2102, known as 12, 14, 16 Pier Street; Frontage 66 feet, depth 153 feet, situated on E side of street and commencing approximately 150 feet north of Esplanade. Certificate of Title Volume 2169, Folio 789.
- Subs 47, 48, 49 of Plan of Subdivision 1934 on the east corner and with a frontage of 89 feet 10 1/2 inches to Pier Street, a corner arc frontage of 76 feet 5 inches, frontage to Esplanade 26 feet 8 inches. Certificate of Title Volumes 4771, 4316, Folios 019, 093.
- Part of Lot 18 on Plan of Subdivision 2102, known as 151 Esplanade, frontage 38 feet 4 1/2 inches, depth 143 feet 5 1/2 inches/140 feet 8 1/2 inches, situated on north side of street and commencing approximately 114 feet east of Pier Street. Certificate of Title Volume 5921, Folio 005.

ALL persons who may be affected by the grant of the permit are called upon to send in writing to the Secretary, Melbourne and Metropolitan Board of Works, 110 Spencer Street, Melbourne, within fourteen (14) days after the publication of this notice a statement in the prescribed form of any objection they may have to the grant of the permit. Copies of prescribed form obtainable at Planning and Highways Branch, 601 Little Collins Street, Melbourne, or at any Municipality of Melbourne Metropolitan area.

Signed for the applicants:
P. LOREN and E. L. CURTIS.

SHIRE OF ALTONA

LOAN No. 32—£50,000.

Special Order to be Made. Notice is hereby given that at a meeting on 29/1/1963 the Council resolved—

"THAT the Council make a special order to borrow the sum of £50,000 from the Local Authorities Superannuation Board upon the credit of the President, Councillors and Ratepayers of the said Shire, by the grant of a mortgage under the provisions of the Local Government Act 1958.

- The maximum rate of interest that may be paid is £5/10/- per cent per annum.
- The purpose for which the loan is to be applied is—
(a) part cost of construction of Civic Offices, Altona—£40,000; and
(b) part cost of construction of Depot Building, Altona—£10,000.
- The period of the loan shall be forty (40) years.
- The moneys borrowed shall be repayable by providing out of the municipal fund approximately £467 3s. 4d. annually for forty (40) years, to be invested in accordance with the said Act to form a sinking fund, and interest to be paid half yearly during the currency of the loan. The first payment shall be on the 1st day of October 1963.
- The period of the loan shall be forty (40) years, and such moneys shall be repayable at the Office of the Local Authorities Superannuation Board, 'Rigby House', 15 Queens Road, Melbourne, or at such place or places as the Board may from time to time require.

and further that confirmation of this order be made an Order of the Day for the Council Meeting to be held on 26th February, 1963."

JAMES W. WATERS,
Shire Secretary.

SHIRE OF ALTONA

POLIOMYELITIS IMMUNIZATION ADULTS

DATE: Thursday, February 28, 1963, and each Thursday to March 27, 1963, inclusive.
TIME: 7 p.m. to 8 p.m.
PLACE: Shop at 24 Pier St.

The immunization consists of three (3) injections of SALK VACCINE.
A period of four (4) weeks between 1st and 2nd injection and a minimum period of seven (7) months to elapse between the 2nd and 3rd injection.

All adults not previously immunized and who have not completed the full course of treatment, are advised to avail themselves of this opportunity.

Daily housework required, business people or flats.—Apply M.M., C/- "Star" Office.

SHIRE OF ALTONA

INSTRUCTION SHEET TO ACCOMPANY FLOOD DAMAGE SURVEY FORMS

The Council desires to compile a comprehensive record of an assessment of damage caused to property in Altona due to the "Flash Flood" which followed the record rains of Australia Day weekend which caused the swollen Kororoit Creek to overflow (on the morning of Tuesday, January 29) into Lake Seaholme (Cherry Swamp) and subsequently flood property in and adjacent to Civic Parade (then called Nellie Street) and inundate extensive areas of Seaholme.

- The form purports to cover basic facts but any other information may be added to the back of the form.
- Please assess damage in Pounds and state if the assessment is cost of replacement, actual cleaning cost, &c. Include house, outhouses, cupboards contents, furniture, machinery, floor coverings, car, &c.
- Please use the letter A after "actual cost" and B after "estimated cost."
- The completed form is to be signed before a Justice of the Peace or Commissioner for taking Affidavits.
- The form must be in the Shire Secretary's hands by 4.30 p.m. on Tuesday, February 26, 1963, for presentation at the Council Meeting that night.
- The extra form may be retained for your records.

Any person who has not received a form should contact the Shire Office, 65-8161, without delay.

JAMES W. WATERS,
Shire Secretary.

SHIRE OF ALTONA

Applications are invited for the following positions—

- Plumber. Applicants must be licensed with the Melbourne and Metropolitan Board of Works.
- Labourers. Applicants giving age, marital status, experience and other particulars, addressed to the Shire Engineer, Shire Office, Queen Street, Altona, close on Friday, March 1.

JAMES W. WATERS,
Shire Secretary.

THANKS

DAVIDSON.—Mr. J. Davidson and Margret (Mrs. Hatfield) wish to express their appreciation and THANKS to relatives, friends, and neighbours for their kind expressions of sympathy and floral tributes in their recent sad bereavement. As many addresses are unknown, please accept this as our sincere thanks.

TAYLOR.—Mrs. R. Taylor and family wish to thank relatives, friends and neighbours for floral tributes, cards and expressions of sympathy shown them in their recent sad bereavement. Would all please accept this as our personal thanks.

IN MEMORIAM

MARSH.—In loving memory of my dear son Alton, passed away February 19, 1938.

Dearest to me than words can tell,
Was the son I lost and loved so well.
Memories in my heart today
Mean more to me than words can say.
Sadly missed.—Inserted by his loving mother.

MARSH.—In loving memory of my brother Alan, who passed away February 19, 1938.

What would we give to see you smile,
To sit and talk with you awhile.
No words we write could ever say
How much we miss you every day.
—Inserted by his loving brother Victor, sister-in-law Eunice and family.
